

## Annual Junior Prospects Camp

### Registration Information & Camp Application

**Registration:** Our Annual Junior Prospects Camp is essentially an invitation-based event. We actively scout, recruit, and invite players to attend this event. We do this to ensure a high caliber of play at the camp which allows the players to play at the highest level possible thereby maximizing their opportunities for success. **While we do see talented players from around North America through the course of the season, we cannot possibly see every player. This camp is open to all qualified players provided there is space. If you are interested in our camp, please read on...**

- **Players Already Approached by Member of the Five Hole Hockey Staff:** you will be contacted during the winter and will receive an email with a camp invitation packet attached to the message. This packet contains all of the details on the camp including the camp registration forms and registration instructions. This process generally starts in December. If you do not receive the invitation packet, please contact us at [fiveholehockey@hotmail.com](mailto:fiveholehockey@hotmail.com) and we will get you the invitation packet ASAP.
- **Players Interested in Attending:** please save this file, complete the form below, and return it via email to [fiveholehockey@hotmail.com](mailto:fiveholehockey@hotmail.com). Our staff will review your form, contact your references, and make a determination on whether or not to issue an invitation. This process moves quickly but it may take a couple days for you to receive a response. If you or your parents have any questions, please call or email us.
- The camp is team and game based. Registrations are taken individually and players are assigned to teams the week before the camp in order to ensure the teams are balanced. Team assignments will be available at camp check-in. We strive to help accommodate player scheduling needs, if you have a special request, please notify us no later than 2 weeks prior to the camp and we will work to accommodate it.
- Please feel free to call or email us if you have any questions on the camp.
